INTERNSHIP & EXPERIENCE

Blumensoft Pvt Ltd

Tirunelveli , Tamil Nadu

React.js Developer & UI/UX Intern

Dec 2025 – Feb 2026

- Designed and developed interactive user interfaces using **React.js**, ensuring smooth navigation and responsive layouts.
- Created modern UI layouts and reusable components by applying **UI/UX best practices** and wireframing principles.
- Collaborated with designers and backend developers to convert Figma mockups into functional React components.

Roriri Software Solution

Kalakad, Tamil Nadu

Frontend / Full Stack Developer Intern

Jan 2026 – Jul 2026

- Developed and refined responsive web interfaces using **HTML, CSS, JavaScript, and React.js**, focusing on usability and cross-device layouts.
- Integrated frontend interfaces with **REST APIs** and handled API-driven data rendering, forms, and user interactions.
- Used **Git and GitHub** for source control and collaborated with developers during feature implementation.

PROJECTS

FixMate — Home Services Platform (Frontend)

[Live Demo](#)

React.js · Vite · REST API Integration

[GitHub](#)

- Developed the complete frontend interface using **React.js** and **Vite**, creating a fast and responsive user experience.
- Integrated and consumed **Spring Boot REST APIs** to fetch and display service listings, booking details, and job status updates.
- Built reusable **React components** and implemented responsive layouts for seamless usability across devices.
- Improved UI performance by optimizing component rendering and maintaining a clean, modular project structure.

Food Web — Responsive Food Website

[Live Demo](#)

HTML5 · CSS3 · JavaScript · Bootstrap

[GitHub](#)

- Designed and developed a **responsive food-themed website** with a modern layout and smooth navigation experience.
- Implemented interactive UI components using **JavaScript** to enhance user engagement and usability.
- Built a **mobile-friendly interface** using Bootstrap grid system and responsive design techniques.
- Focused on clean layout structure, accessibility, and visually appealing UI suitable for food blogs or restaurant showcases.

EDUCATION

St. Mother Theresa Engineering College

Tuticorin, Tamil Nadu

Bachelor of Engineering in Computer Science Engineering

2022 – Present | CGPA: 8.05
